

# **FCEO PROJECT UPDATE**

## **Elmore Avenue Sidewalk Improvement Project**

### **Location**

This project is located in Clinton Township in north central Franklin County.

### **Project Description**

This project includes the construction of 3,615 feet of concrete sidewalk along the south side of Elmore Avenue between Karl Road and Cleveland Avenue.

### **Work Completed**

The contractor has completed the installation of catch basins, storm drainage upgrades, and a portion of the concrete sidewalk.

### **Next Steps**

Crews will complete the concrete sidewalk installation and associated work.

### **Maintenance of Traffic**

Traffic along Elmore Avenue is being maintained utilizing flaggers as needed during construction.
